Dear Francesco,

As was stated earlier in the week, it became clear last weekend in Nice, that we needed a vote on the 6 speech requirement for the Motivational/Inspirational speech (non-English language) contests.

During the past week we ran an online vote and the results are in:
We will **continue** to implement the 6 speech requirement in all languages (International and Motivational/Inspirational speech contests) that will be represented at the district conference. For the Luxembourg conference this will be French and Italian.

Quorum: 49 votes were cast (37 required)

Votes: 31 for, 18 against, 22 abstentions

Result: With almost a 2/3's majority of the votes cast, the rule will continue to be valid

Summary

- All contests will be held according to the [Speech Contest Rulebook](#) (no distinction will be made)
- The required 6 speeches has to be completed **before** the club contest
- The 6 speeches can be done in any language
- The 6 speech rule is not a requirement for the Evaluations contest
- Should you decide to have a contest in a language that is not represented at the district conference, you can decide whether or not to stick to the 6 speech rule.

Should you have any other questions, I would be happy to hear them.

Good luck with all your contest preparations!
